Desmond Bowe (marketing working group) was also present.

Agenda Items

1. Vote of the minutes of the previous meeting.

RESOLVED, that the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #12 held on August 22, 2019.

2. Intermediate actions: none
3. Treasury update: Since last meeting we have received sponsorship payments from Cisco and WhatsApp (both at \$10K each).
4. Membership update: We are now a total of 333 members (64 annual supporting, 4, lifetime members, 257 basic members, and 8 board members).
5. Peer presented the proposal for forming an Embedded Working Group. The proposal was sent out just before the meeting, and received some feedback. It was not voted on this time, as Peer chose to incorporate the feedback and send it out again.
6. Any other business:
 1. Francesco mentioned that he is, together with Bryan Paxton and Benoît Chesneau, working on a proposal on how to take over trapexit.org. Reach out to Francesco if you want to help or know more.

2. Report from ElixirConf: Desmond and Miriam set up a table at ElixirConf and they made a presentation which went well (will be available on conference website). A "handful" of the attendees were already members, about half had already heard of EEF, a little spike of new members after the conference. The grant process was also presented.
3. The website has been converted to Elixir (using Phoenix), mostly Bryan Paxtons work. Board members and WG chairs: send your pictures so that they can be put on the website. Suggestion: put a calendar of workin group meetings on the site. If you have questions regarding this: contact Desmond Bowe.
