Erlang Ecosystem Foundation, Minutes of a Regular Meeting of the Board of Directors
Meeting #18, November 14, 2019

A regular meeting of the Erlang Ecosystem Foundation was held over group conference call (Zoom) beginning at 16:00 UTC

Attendance

The following members of the board of directors were present (9/11): Francesco Cesarini, Benoît Chesneau, Maxim Fedorov, Kenneth Lundin, Miriam Pena Villanueva, Frédéric Trottier-Hébert, Sebastian Strollo, José Valim, Alistair Woodman.

Agenda Items

1. Vote of the minutes of the previous meeting.

RESOLVED, that the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #17 held on October 31, 2019.

2. Intermediate actions: None.

3. Treasury update: noting to report. A question regarding fairness around sponsorship logos on our webpage, and time of payment was brought up. The question was referred to the sponsorship working group.

4. Resolution regarding following US Sanctions Regulations (OFAC) was presented by Alistair and discussed:

1. A discussion around how to keep records of money spent on grants was referred to the grant working group (two questions: how to include follow up in the grant process, and whether the recipient should somehow have to acknowledge that we follow OFAC regulation, and that they have been informed of that).
2. The resolution regarding adopting OFAC was voted on and unanimously approved:

RESOLVED, that the Erlang Ecosystem Foundation shall follow the adopted OFAC compliance policy, a copy of which is included at the end of these minutes.

5. Board insurance: no update. Alistair needs everyones response, please acknowledge regardless of your status.
6. Erlang Central: *agenda item withdrawn*.
7. Budget planning: Sebastian to reach out to working group chairs and ask wether they see a need to spend money in the next six months (and if so, on what and how much)
8. Any other questions:
 1. Make a plan for membership election to the board (the founding meeting was on February 21, 2019)
 2. Miriam brought up the fact that we still communicate using the <erlang-software-foundation@googlegroups.com> mailing alias, which contains a number of non-active / non-members.
9. Alistair declared the meeting adjourned at 17:02 UTC.

Dated November 14, 2019

Secretary of the meeting: _____ Sebastian

EEF OFAC Compliance Policy

Preamble

The Erlang Ecosystem Foundation (EEF) is a public benefit corporation registered in the state of California, and currently applying for 501c3 status with the IRS. As such, EEF and its board intent to follow and comply with all US and California law. This includes US laws and directives pertaining to anti-terrorism, money-laundering, embargos and economic sanctions.

OFAC Compliance Policies

1. The EEF will generally avoid doing business or providing funding to entities involved with or based in the following countries: Cuba, Iraq, Iran, North Korea, Somalia, Syria.
2. All entities or individuals (potential partners) requesting or applying for support from or contracting with the EEF will be requested to fill out a questionnaire and asked to confirm that they are not embargoed or black-listed on any of the OFAC tracking lists.
3. The board or funding committee will review all applications and check for red flags as well as use the online facilities of the OFAC to check the bona fides of each potential partner.
4. If in doubt, the board or funding committee will err on the side of caution.
5. The president, the treasurer and the board are responsible for ensuring that these compliance policies are followed and updated as necessary.
