Agenda Items

1. Vote of the minutes of the previous meeting.

RESOLVED, that the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #19 held on November 28, 2019. Carried by 6 (Richard Carlsson joined later).

2. Intermediate action: Alistair filed IRS 1023 application with IRS, US federal and California, applying for tax relief (2019 and 2020). Non-taxable status review process started.
3. Treasury update: skipped due to Peer and Sebastian absent.
4. Benoît Chesneau presented Infrastructure Working Group budget sheet for H1 2020. WildApricot is already paid (may require additional payment if more members join). Jose requested additional explanation of how 1Password is going to be used and paid for.
FastMail was suggested as an e-mail service. Long discussion about implications of providing erlef.org e-mail addresses to all paying members. Kenneth, Jose & Maxim raised concerns about EEF turning into e-mail provider, potential e-mail address misuse, non-profit organisation providing paid service (e-mail for membership), usage of e-mail to gate access to foundation.
Board agreed e-mail addresses should be provided for official communications.
Alistair suggested to separate budget discussion from FastMail usage guidelines.
5. Board voted FOR (7/11) Infrastructure Working Group budget not exceeding \$10,000, none against, none abstained.

6. Continued discussion about FastMail usage. Alistair suggested to discuss members e-mail addresses within Marketing Working Group first. Kenneth requested document explaining benefits and actual process of e-mail addresses allocation.

Action Item for Benoit: present this document at the next meeting.

While budget has been approved, actual agreement between EEF and FastMail can only be made with Board approval, before preallocated budget is spent.

7. Insurance update. Alistair is restarting the search, after a conversation where estimated insurance cost was mentioned (~\$2.500).

8. Intermediate action: Interoperability Working Group. Mariano Guerra submitted formal working group proposal a while ago. Board decided to carry this as an intermediate activity with unanimous consent.

Action item for José Valim: send a formal proposal.

9. Next meeting date and time: **Thursday, January 9 2020, 16:00 UTC**. There will be no meeting on December 26 2019 due to Christmas break.

10. Alistair declared the meeting adjourned at 16:55 UTC.
