

EEF Meeting Minutes, Thursday January 9, 2020

Erlang Ecosystem Foundation, Minutes of a Regular Meeting of the Board of Directors Meeting #21, January 9, 2020

A regular meeting of the Erlang Ecosystem Foundation was held over group conference call (Zoom) beginning at 16:00 UTC

Attendance

The following members of the board of directors were present (10/11): Richard Carlsson, Francesco Cesarini, Benoît Chesneau, Kenneth Lundin, Miriam Pena Villanueva, Frédéric Trottier-Hébert, Peer Stritzinger, Sebastian Strollo, José Valim, Alistair Woodman.

In addition to the board of directors, Tristan Sloughter (chairperson for the Building and Packaging, as well as the Observability working groups) was present.

Agenda Items

1. Vote of the minutes of the previous meeting.

RESOLVED, that the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #20 held on December 12, 2019. Unanimously approved

2. Intermediate actions: Alistair received acknowledgment from the state of CA that our IRS 1023 application had been received.
3. Treasury update: We have approximately \$130k in the bank, and since last meeting we received funds (\$10k) from a new sponsor: DNSimple.
 1. Membership report: as of today we have 75 supporting members, 327 basic members, and 5 lifetime supporting members.
4. Upcoming elections. We need to decide on an election day, and mechanics of voting. Peer and Fred will be election officers, look into bylaws and come up with a proposal. As the bylaws interpreted in the meeting, all officers should be up for re-election this year, and then randomly assigned into three cohorts with 3, 2, and, 1 year terms.

5. The Language Interoperability Working Group proposal was presented by José. Mariano Guerra is the initial chairperson. Francesco encouraged the working group to make a big splash about it.

RESOLVED, that the Erlang Ecosystem Foundation approve the establishment of the “Language Interoperability” working group with the proposal which is inserted with the minutes of this meeting. The resolution was carried unanimously.

6. Tristan presented his stipend proposal for \$10K to fund a months work on “relx” to make it ready for the 4.0 release (including integration work with rebar3). The board was not ready to vote for or against the proposal as presented, Tristan will work on the proposal in the “Building and Packaging” working group, to return to the board for a vote.

1. Discussion around what the process of approving stipends around development projects should look like: Should the working groups have to approve the proposals first? Do we need a template for working group project proposals? Kept open for now.

7. Any Other Questions:

1. José explained that his company “Plataformatec” will soon cease to exist, and posed the question if he could transfer the label “founding sponsor” to his new company. No immediate objections, but José will come back with a formal proposal.

8. Alistair declared the meeting adjourned at 16:59 UTC.

Dated January 9, 2020

Secretary of the meeting: _____ Sebastian Strollo
