

EEF Meeting Minutes, Thursday March 18, 2021

Erlang Ecosystem Foundation, Minutes of a Regular Meeting of the Board of Directors Meeting #45, March 18, 2021

A regular meeting of the Erlang Ecosystem Foundation was held over group conference call (Zoom). The meeting began at 16:04 UTC.

Attendance

The following members of the board of directors were present (10/11): Richard Carlsson, Benoît Chesneau, Maxim Fedorov, Frédéric Trottier-Hébert, Kenneth Lundin, Peer Stritzinger, Sebastian Stollo, José Valim, Miriam Pena Villanueva, and Alistair Woodman.

Bryan Paxton was also present

Agenda Items

1. Vote of the minutes of the previous meeting.

RESOLVED, that the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #44 held on March 4, 2020. Unanimously approved.

2. Intermediate actions: filing taxes and renewal of board insurance is on the horizon.
3. Financial update: roughly \$138K in the bank, outstanding invoices from sponsors: \$26K (an additional \$12K committed), outstanding expenses: \$1K (Nayra), \$10K (ROSIE), \$24K (arm64 JIT project). Membership update: Membership numbers have gone up since last report: Annual Supporting members: 121 (13), Lifetime Supporting members: 12 (+1), Basic members: 608 (+15)
4. Board election: the vote closes tomorrow. Some new members reached out and asked for voting rights after voting was opened, those who reached out was given right to vote (also some that asked for “managing and contributing” status). It isn’t completely clear from our website whether you have to become a member before the voting starts, justifying the generous approach taken this time. But it does bring up a general question of what our policy should be, including for example members that have not yet renewed their annual membership before the voting starts, and that it needs to be clearly stated to avoid arbitrary decisions in the future. The board is for a generous approach. No decision. The result of the election will be presented

with the numbers for the top six candidates (top four will be part of Cohort B, fifth will replace José). Any new members will be invited to the next board meeting (April 1). A big thank you to Fred for a great job officiating the election.

5. Bryan will continue to work for EEF to the end of this month (exact date not set). The infrastructure working group is looking for replacement candidates.
6. Peer: presented an idea for a new working group: Mentors WG. For people who would like to mentor others. Good initial interest (on Slack). For people who are interested in “sherpa:ing” projects, mentor students, etc for example run our own “EEF summer of code”. The working group would be a meeting point for exchanging ideas on how to be a mentor etc. Sherpas could come out of this WG. Will return with a formal proposal if there is enough interest.
7. Kenneth explained that he is looking to migrate the Erlang mailing list to a forum. Alistair suggested that Kenneth work with the Infrastructure WG (AI: Bryan and Benoit to setup a call).
8. Code BEAM reactions: Education working group sponsored 50 attendees and got very good recognition for diversity. Bryan mentioned that the feedback from attendees was very positive.
9. Sponsorship Working Group update: not much time left in the meeting, but in summary “invoices are going out, calls are being made”.
10. Alistair declared the meeting adjourned at 17:02 UTC.

Dated March 18, 2021

Secretary of the meeting: _____ Sebastian Strollo
