

EEF Meeting Minutes, Thursday April 15, 2021

Erlang Ecosystem Foundation, Minutes of a Regular Meeting of the Board of Directors
Meeting #47, April 15, 2021

A regular meeting of the Erlang Ecosystem Foundation was held over group conference call (Zoom). The meeting began at 16:04 UTC.

Attendance

The following members of the board of directors were present (10/11): Richard Carlsson, Francesco Cesarini, Sophie DeBenedetto, Maxim Fedorov, Frédéric Trottier-Hébert, Peer Stritzinger, Sebastian Stollo, Bryan Paxton, Miriam Pena Villanueva, and Alistair Woodman.

Agenda Items

1. Vote of the minutes of the previous meeting.

RESOLVED, that the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #46 held on April 1, 2021. Unanimously approved.

2. Intermediate actions:

1. Alistair filed the Annual Registration Renewal (Form RRF-1) with the California Department of Justice (annual filing required by all corporations / associations registered in CA)
3. Sebastian presented the financial summary for 2020 (comments: change the “grant” heading to “stipend”). Membership update: Annual Supporting members: 127 (+2), Lifetime Supporting members: 12 (unchanged), Basic members: 643 (+25)
4. No unanimous consent votes scheduled
5. Continuity of Bryan's work (Bryan starts new job on the 26th, at that point he will not have much spare time): no candidates for the "sysadmin" part of the role, but no worries for right now. Peer: noted that we do need someone to keep develop "stuff" for the website etc, it is what makes things happen (like e.g. bounty projects etc, or just current projects and their status). Agreed, there is an (almost infinite) list

of tooling projects that we could do. We could tweet out that we are looking for a new person.

6. Question regarding publishing the financial report from 2019 (that was presented on the Annual General Meeting) on the EEF website: it is public information, no problem to publish it.
7. Sophie brought up wanted to know the general mood of the board regarding the EEF spending money on virtual Elixir training (perhaps specifically targeted towards to Ruby developers?). Generally positive responses, keep an eye on "bang for the buck" (sponsoring students to go to conferences/training vs producing material ourselves for example). Useful discussion, Sophie will take it further in the education working group.
8. Any other business:
 1. Bryan will setup so that we use our Fastmail account as the "official" calendar for board meetings.
 2. SpawnFest: should we bring the SpawnFest under the umbrella of the Foundation? (It would perhaps make it easier to get sponsors to donate money/prizes). In general: good idea, may need to do some research on legal stuff around running competitions.
9. Alistair declared the meeting adjourned at 17:01 UTC.

Dated April 15, 2021

Secretary of the meeting: _____ Sebastian Strollo
