Agenda Items

1. Vote of the minutes of the previous meeting.

RESOLVED, that the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #53 held on August 5, 2021. Vote count: 7 for, 0 abstain, 0 against.

2. Intermediate actions: Bryan Paxton reported an update for Blog project on the erlef.org site. Project is not moving forward, currently looking for volunteers to lead the effort. If no volunteers are found, Bryan may go ahead and implement simple variant himself
3. No treasury report this time (Sebastian Strollo not present). Francesco reported no new sponsors joined since last meeting.
4. No unanimous consent vote scheduled.
5. Francesco and Bryan explained more details about job board hosted by the EEF. While not fully synced yet, some points are:
 - * agencies are not allowed to post or participate
 - * limited amount of job posts per user to avoid monopolising the board
 - * companies/agencies are not allowed to contact job posters - job board is intended to be used by candidates applying

- * job posts are reviewed before publishing
- * links to other websites are not allowed
- * no need to be an EEF member to view
- * posts expire after specific amount of time
- * Alistair noted that policing is not expected
- * Maxim asked for job post guideline, Francesco noted that submission data should include geographical/time zone, contract/full time and similar information
- * Miriam asked whether there are legislations to follow. Francesco explained that that none apply, as we do not store CV or any other data (so even GDPR does not apply)
- * next steps are: full sync between Francesco and Bryan, outline the plan and send formal proposal. There were no objections.

6. Working Groups reports. Fred sent reminders for Working Group chairs. Currently Fred is dealing with calendar invites (timely reminders). Quick question raised, how to make EEF members to read e-mails, especially from rarely used mailboxes.
7. AGM preparations. Alistair: dates/times have not been sent yet. Discussions about AGM time combined with ElixirConf EU social Touncan lounge. Concerns were raised about people willing to attend both. Alistair noted that AGM is an event for those interested in accounting, and Francesco suggested to make the event more exciting, and inviting people to join Working Groups.
Decision kept: have 2 meetings (like previous year), and times as originally proposed. Meeting A: Thursday, Sep 9th, 2021 20:00 CET / 18:00 UTC / 11:00 USA Pacific Time. Meeting B: Friday: Sep 10th, 2021 15:00 Japanese Time; 08:00 CET; 06:00 UTC.
8. Other business.
Tristan Slougher has previously requested a stipend for Open Telemetry. This is no longer needed, for the work is being sponsored by Tristan's employer.
9. Meeting declared adjourned at 16:59 UTC.
