

EEF Meeting Minutes, Thursday January 6, 2022

Erlang Ecosystem Foundation, Minutes of a Regular Meeting of the Board of Directors Meeting #59, January 6, 2022

A regular meeting of the Erlang Ecosystem Foundation was held over group conference call (Zoom). The meeting began at 16:05 UTC.

Attendance

The following members of the board of directors were present (8/11):, Sophie DeBenedetto, Maxim Fedorov, Bryan Paxton, Peer Stritzinger, Sebastian Stollo, Frédéric Trottier-Hébert, Miriam Pena Villanueva, and Alistair Woodman.

The following members of the board of directors were absent: Richard Carlsson, Francesco Cesarini, Kenneth Lundin.

Agenda Items

1. Approval of minutes from previous meetings.

RESOLVED, that the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #58 held on December 9, 2021. Unanimously approved.

2. Intermediate actions: The SpawnFest prizes (Amazon gift cards) that EEF sponsored were paid out to the designated winners (a total of \$2400).
3. Finance update: approximately \$188k in the bank. Membership update: Annual Supporting: 138 (+1), Lifetime Supporting: 17 (+1), Managing and Contributing: 20 (unchanged), Basic: 869 (+13), Total: 1053 (+15).
4. Unanimous consent votes: none requested.
5. Blog project: The developer who did the first part of the blog project will not be available to continue with the second (and last part) of the project. Bryan is actively looking for a developer for the job-board project (and potentially that could finish the blog project as well). It would probably be good to have someone contracted permanently for this kind of work.
6. Fred has taken over as chair of the Build and Packaging working group.

7. The position as chair for the Marketing working group is vacant (Rose Burt left at the end of 2021). Bryan and Alistair are acting chairs, and will prepare for a discussion on how to proceed for the next board meeting.
8. General discussion around 2022, and whether we believe more in-person events will take place. Seems everyone would at least like to be able to attend events in-person, unclear what guidelines larger corporations will have. Among other things it is relevant to how we plan marketing for EEF. Will continue to discuss planning for 2022 next meeting.
9. Any other business:
 1. Short discussion around whether stipends / projects have to go through a working group (It is a good way of getting visibility into projects and some amount of accountability, but not necessarily a hard requirement. You can always bring a project to a working group even if it isn't an exact match of the working group charter), as well as what to do when a working group is not active enough. No decisions taken, no actions.
10. Alistair declared the meeting adjourned at 16:57 UTC.

Dated January 6, 2022

Secretary of the meeting: _____ Sebastian Strollo
