Agenda Items

RESOLVED, that the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #69 held on Sep 1, 2022. Unanimously approved.

3. Financial update: none this week (no changes since last week when Sebastian presented the year-to-date financials). Membership update: skipped this week as Peer is away.
4. Unanimous consent votes: none scheduled
5. Annual General Meeting 2022 planning. To be held in October, or November. Propose that we piggy back an existing event (candidates: ElixirConf Uruguay or CodeBEAM America, will investigate if we can get a slot at the latter). Discussions around how we can make it more engaging (while still fulfilling the formal portion of the AGM as required by our bylaws). Suggestions around content: include strengths (what is going well) and weaknesses (where we can improve). Highlight where we need volunteers. Method: Alistair to initiate board conversation around “what went

well” and “what can we improve” - shared document where board members can contribute.

6. Any other business: none

7. Alistair declared the meeting adjourned at 16:37 UTC.
