Agenda Items

1. Approval of minutes from previous meetings.

RESOLVED, that the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #73 held on November 10, 2022. Unanimously approved.

2. Intermediate actions and activities: none
3. Treasury update: Sebastian made a quick through of the current numbers, nothing out of the ordinary to report. Membership numbers: Annual Supporting: 138, Basic 1101, Lifetime 18, Managing and Contributing: 14.
4. Unanimous consent votes: none scheduled
5. Krasen Penchev demonstrated the state of the new jobs-board being implemented for the EEF website. Thanks - great work Krasen!
6. Annual General Meeting voting results. The members have been asked to ratify the Chair's report and the Financial report of 2022. As of the AGM there were 174 members eligible to vote (we need 1/3 to approve, meaning at least 58 votes). Each report received 90 yes votes and 0 no votes in support of ratifying them, thus

clearing the bar set for official approval. Thanks to everyone involved in the AGM and subsequent voting.

7. The EEF now has a presence on both Twitter and Mastodon. No strong opinions on this matter in the meeting - we will stay on both for the time being.
8. Any other business:
 1. Next meeting (skipping January 5, making it January 19) will be a planning meeting for next year. Bring proposals on what we should be spending money on and other ideas. Alistair will send out budget spreadsheet.
9. Alistair declared the meeting adjourned at 17:00 UTC.
