

EEF Meeting Minutes, Thursday September 14, 2023

Erlang Ecosystem Foundation, Minutes of a Regular Meeting of the Board of Directors
Meeting #87, September 14, 2023

A regular meeting of the Erlang Ecosystem Foundation was held over group conference call (Zoom). The meeting began at 16:06 UTC.

Attendance

The following members of the board of directors were present (8/11): Francesco Cesarini, Maxim Fedorov, Kenneth Lundin, Ben Marx, Bryan Paxton (joined 22 minutes past the hour), Miriam Pena Villanueva, Sebastian Strollo, and Alistair Woodman.

The following members of the board of directors were absent: Sophie DeBenedetto, Amos King, Peer Stritzinger.

Agenda Items

1. Approval of minutes from previous meetings.

RESOLVED, that the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #86 held on August 31, 2023. Unanimously approved by the board members present (7).

2. Intermediate actions and activities:

1. Alistair reported that he has missed the deadline to file the RRF-1 with the California Department of Justice. This means that the EEF is now “listed as delinquent with the Registry of Charitable Trusts for failing to submit required annual report(s) and/or renewal fees”. Alistair has emailed and asked for an extension and is now filing the form and paying the fees. It will probably take some time (up to two months) to get us back in good standing.
2. Alistair is keeping on top of the EU CRA proposed legislation (the European Cyber Resilience Act) through various contacts.
3. Sebastian has signed us up for X (formerly known as Twitter) “Premium” - enabling the marketing team to post and use the dashboard again.
4. Sebastian is working on the cybergrants.com application (he will need some help, and will reach out for help with specific questions)

3. Treasury and Membership update: Check from HCA deposited, no further report from Sebastian, Peer is absent - no membership update.
4. Unanimous consent votes: none scheduled.
5. Stipends: none
6. Event planning: brief discussion on who is going to upcoming events, and how we can use the events to attract new sponsors. Need to start planning for this years Annual General Meeting, suggestion: keep it fully virtual, not necessarily tied to an event.
7. Working group health update:
 1. Sponsorship: need engagement from new people. Some reported hard to make the Thursday time slot (and hard to find a working one with the US / Europe distribution of members). Could having a “meeting day” over slack, like the build and packaging group work?
 2. Security working group: OpenID Connect Client work is ongoing, recently published Web Apps security guidelines on the EEF web.
 3. Build and packaging - active, using “offline” meetings via slack on a dedicated “meeting day” instead of a zoom meeting at a particular time.
 4. Marketing - isn’t really meeting (except for the paid marcom team)
 5. Others reported as active: Embedded, Machine Learning, Open Telemetry and Education and Training is active and having regular meetings
8. Any other topics:
 1. As discussed over email: we need to enable some kind of reminder that a membership is up for renewal. Maxim is looking into how to do this in Wild Apricot.
9. Alistair declared the meeting adjourned at 16:52 UTC.

Dated September 14, 2023

Secretary of the meeting: _____ Sebastian Strollo
