5. Alistair presented his ongoing dialogue with an external company that would like to fund work on the CRA and asked for input from the board. None present had anything against the direction of Alistairs proposal.
6. Sebastian presented the quarterly numbers. As we have noted all year, we are not finding enough new, nor renewing enough existing sponsors, which makes the balance sheet look a bit bleak. Proposed that we: try to go through old unpaid stipends to see which ones are active (and scratch the inactive ones from out balance sheet) and get better at chasing sponsors.

Invoiced sponsors (unpaid)	\$10,000
Not yet invoiced sponsors	\$0
