- Alistair and Sebastian has filed our taxes
- EEF now has a Bluesky account
- Alistair is in continued conversation with external company to sponsor special project

AGM Date

Decided that the Annual General Meeting will be held on December 19.

Security Working Group activities

Kiko and Jonatan gave an update on the ongoing work to apply to become a CNA (a CVE Numbering Authority)

Jonatan gave an update on the work of filing a CISA self attestation.

Restricted / directed donations

Discussion around whether we should allow donations to fund specific projects. We have not done so in the past, but there is nothing in our bylaws that prevent us from doing so. The projects should be in line with EEFs mission. Alistair and Maxim to setup a process (including donation letter templates).

Any other questions

- For our information: the build and packaging working group are working on official pre-built packages of Erlang/OTP (no action from the board required)
- Amos mentioned that OpenRIAK generated some buzz on Hackernews

Alistair declared the meeting adjourned at 16:59 UTC.
