RESOLVED: That the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #111 held on January 16, 2025. Unanimously approved with one abstention (Amos).

2.2 Intermediate actions

- OpenSSF project still in progress
- Alistair has been in conversation with José re external event stipend program, and that has now been folded into the education working group

2.3 Unanimous Consent votes

None.

2.4 Financial update

Sebastian did not have detailed balance sheet at hand, but cash in bank is around \$120k.

2.5 Membership update

Peer presented the latest membership numbers: Basic 1748, Annual Supporting: 121, Lifetime Supporting 23, Managing and Contributing: 14.

2.6 Security WG and CISO activities

Jonatan reported

- The CNA application ran into a hiccup with MITRE, application is resubmitted and now in progress.
- OpenChain: a PR for Elixir and Erlang submitted (next up is Gleam)
- Working on an application for the Linux Foundation Alpha&Omega fund.

Kiko reported that Erlang/OTP is now OpenChain compliant.

2.7 Process for joining other organizations

Maxim and Alistair are still working on a proposal for a process. Membership OWASP and OSBA are pending. Alistair asked the meeting if there are any concerns regarding joining other organizations that align with our interests. No concerns raised.

2.8 Open Stipend requests

- OpenTelemetry perf support - proposal in progress, Bryan is sherpa
- Peer presented the project of trying to get rebar3 included in OTP (as well as building OTP itself) and how this would be a big benefit to the community (by having rebar3 always available if you have Erlang/OTP). The current plan is to do this by running a Kickstarter fundraiser (and announcing this at Code BEAM US). Proposed that EEF supports the effort by: helping with marketing of the project and the Kickstarter, and by supporting the Kickstarter with \$2,000.

RESOLVED: That the Erlang Ecosystem Foundation approve the proposal to support the project to get rebar3 as a part of Erlang/OTP as presented by Peer with \$2,000 and by helping with marketing. Unanimously approved.

2.9 Upcoming events

- CodeBEAM US, March 6-7 2025 San Francisco and Online
- ElixirConf EU, May 15-16 2025, Kraków
- ElixirConf US
- CodeBEAM Europe
- On Feb 20 Peer helped out with an Elixir & Erlang Meetup in München - good attendance
