2 Agenda Items

2.1 Approval of minutes from previous meeting

RESOLVED: That the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #115 held on May 8, 2025. Unanimously approved.

2.2 Intermediate actions

- On May 13 Mitre announced that EEF is an official CNA for Elixir, Erlang, Gleam, and Hex, announcement on their site: <https://www.cve.org/Media/News/item/news/2025/05/13/Erlang-Ecosystem-Foundation-Added-as-CNA>
- The EEF board elections were successfully completed since last board meeting

2.3 Unanimous Consent votes

None.

2.4 Finance update

None this time.

2.5 Membership update

None this time.

2.6 Election results

Peer presented the results. The turnout was a bit on the low side (we forgot to send out reminders, and perhaps should have made a bit more noise). Lessons learned: perhaps announce candidates a little bit ahead of the election period, make more noise in other channels, and even though we get complaints from those who already voted send out reminders (the Wildapricot polling system does not have the feature of sending out an email to those that did not yet vote). Noted that we do not have a mechanism to resolve a tie if it ever should happen in the future.

Voter participation: 61 members (out of 163 eligible) submitted their votes, which means a turnout of 37.4% and that quorum was reached. The result was as follows:

1. Lars Wikman (46)
2. Lee Barney (33)
3. Zach Daniel (29)
4. Powell Kinney (28)
5. Peter Ullrich (23)
6. Jim Freeze (14)

Which means that Lars, Lee, and Zach are now elected to cohort C.

RESOLVED, that the sitting board of the Erlang Ecosystem Foundation approve the election results as presented and that the newly elected board members to cohort C are: Lars Wikman, Lee Barney, and Zach Daniel. Unanimously approved.

The sitting board would like to extend a big thank you to Kenneth, Maxim, and Ben for their contributions over the years and give a warm welcome to our new board members.

2.7 Board Executive Elections

Next board call we will elect Chairperson, Secretary, and Treasurer. Alistair and Sebastian are willing to stand again - but would welcome anyone that would like to step up.

2.8 Sponsorship Working group

Daniel (Dan) Janowski has joined, presented himself and the plan going forward. First step is to get sponsors into a CRM to better track and remember to ask sponsors to renew regularly.

2.9 Feedback from ElixirConf EU

Francesco reported that it was a success, lots of buzz. Lars: “fantastic event, nice to see lots of fresh/new faces”. Peer was there as well: “good fun, good energy”.

2.10 Open Stipend requests

No update on ongoing requests. Lee volunteered to Sherpa the Goatmire stipend request.

2.11 Security working group

Updates from Jonatan:

- The EEF is now an official CNA - great work!
- AEGIS initiative, <https://security.erlef.org/aegis/> is ongoing - two new sponsors signed up (Dashbit and HCA Healthcare)
