Sebastian Strollo	✓		
Lars Wikman	✓		
Alistair Woodman	✓		
Total	9	2	

Also present:

- Paula Calgaro - marcom team
- Daniel Janowski - sponsorship working group
- Jonatan Männchen - security working group

2 Agenda Items

2.1 Approval of minutes from previous meeting

RESOLVED: That the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #120 held on September 11. Unanimously approved.

2.2 Intermediate actions

- EuroBSD Conference in Zagreb Sep 25-28 - visited and made good contacts with both the FreeBSD and NetBSD community.

2.3 Unanimous Consent votes

None.

2.4 Finance update

Quick update from Sebastian with rough estimate of balance sheet.

2.5 Membership update

Peer presented the membership numbers: Annual Supporting: 146, Basic: 1899, Lifetime supporting: 29, Managing and contributing: 14

2.6 Sponsorship Working Group

Update from Dan:

- New sponsors are coming in!
- Newsletter went out
- It is easier to talk to sponsors and get them interested now that more work is done in the foundation
- Bringing in more projects under the EEF banner (for example the Numerical Elixir, Nx, project)
- Has gone to a number of meetups
- Working with FOSDEM to get a room at the conference

Peer reported that the rebar4 kickstarter succeeded, but is still open for companies to pitch in. A lot of individuals contributed (even fairly large amounts) but support from companies was a bit disappointing.

2.7 Security Working Group

- Funding for Q3 received, and support for Q4 is also expected to come in (the presentation on site, at the main sponsor made an impact)
- Update reports, please read at website:
 - <https://security.erlef.org/aegis/#progress-updates>
 - <https://security.erlef.org/assets/aegis/updates/2025-q3.pdf>
 - <https://cnascorecard.org/cna/index.html>

2.8 Infrastructure WG cleanup: WIP update

- We lost Benoit and Maxim and Bryan is overloaded.
- Jonatan now has approval access to the web repo
- Some services have not been update to cover the new board cohort

Suggested and approved that Paula, Daniel and Jonatan are added to the “board-internal” Slack group to facilitate operations.

2.9 Open Stipend requests

- Four student-tickets for CodeBEAM at \$1,310, from Annette Bieniusa at University of Kaiserslautern-Landau. Proposed that this is approved in principle, but the sherpa should reach out to both the conference and Annette to see what can be arranged.

RESOLVED: That the Erlang Ecosystem Foundation approve the stipend request for sponsoring four students to attend the CodeBEAM Berling conference, at a budget of at most \$1,310. Unanimously approved by the 8 present board members.

- Sponsoring a conference breakfast at the ExMex conference, \$2,000 from Nathan Hessler.

RESOLVED: That the Erlang Ecosystem Foundation approve the stipend request for \$2,000 to sponsor the ExMex conference. Unanimously approved by the 8 present board members.

Three additional proposals all need sherpas. They are too early to vote on.

- Gleam Documentation; Louis Pilfold; \$8K
- Lustre Documentation; Hayleigh Thompson; \$6K
- Hologram Isomorphic Elixir Framework (Elixir to JavaScript); Bart Blast; \$2,285 per month for 4 months

2.10 Any other business

None

Alistair declared the meeting adjourned at 17:00 UTC.

Dated October 09, 2025

Secretary of the meeting: _____ Sebastian Strollo
