2.10 Joining external organizations

Alistair noted that there are a lot of other organizations that the EEF probably should be a member of (for example: OSBA, Linux Foundation EU, OSI, etc). Most affiliate membership are zero cost for not-for profit organizations like us. Alistair proposed that approval of joining orgs like this are done through the “unanimous consent process” (i.e. voting by email in between board meetings, requires unanimous approval by all board members). No objections to this process by the meeting.

2.11 Stipend requests

- Gerrit Riessen, Erlang RED for \$2,000. Lee will Sherpa.
- Alistair has spoken to Louis Pilfold (Gleam documentation \$8,000) and Hayleigh Thompson (Lustre Documentation \$6,000) and asked that they include step goals in their plans
- Bart Blast, Hologram support (Elixir to JavaScript) for \$9,200. Lars will Sherpa with assistance from Alistair
