RESOLVED: That the Erlang Ecosystem Foundation approve the minutes as presented as representing a true and accurate record of the board meeting #126 held on February 26, 2026. Unanimously approved.

2.2 Intermediate actions

- EmbeddedWorld: Alistair attended and had many meetings; will send a travel report to the board.
- Jonatan and Dan have been in contact with Petr regarding AsmJit; update available in Slack.
- Paperwork completed for OSADL, CNCF and ECMA TC54 memberships.

2.3 Unanimous Consent votes

None.

2.4 Finance update

No major changes.

2.5 Membership update

Not discussed.

2.6 Security update

Jonatan reported an influx of CVEs, likely AI-generated but substantive in nature. The board noted it is good to receive incoming reports. Kiko welcomed the external input. Dan suggested tracking time spent on CNA-related work to help explain to the community the effort involved. Jonatan noted the workload scales with the number of reports.

2.7 NSF Grant

The board discussed initial reviewer feedback on the NSF grant application. The process will continue with support from NC State.

2.8 Fundraising and Sponsorship Working Group update

The NSF grant is proving useful when approaching potential sponsors. The Numerical Elixir project ran an organic fundraising campaign through every.org and met its goal of \$4,000. The board plans to solicit donations from attendees at the ElixirConf EU event in Malaga.

2.9 Stipend requests

All pending stipend requests remain on hold given current finances.

2.10 Upcoming Events

- ElixirConf EU, Malaga SP (April 23-24): EEF has a 10-minute speaking slot at the end of the first day. Dan will reach out to Eva regarding a potential slot for a Stockholm event.

2.11 Any other business

Dan reported encountering VAT issues with a fundraising approach; the board decided to accept donations instead.

Alistair declared the meeting adjourned at 16:47 UTC.
