## Introduction

2020 was a slow year for fundraising due to Covid. Based on feedback from several of our sponsors we delayed the fundraising process to accommodate concerns regarding cashflow at startups and only really picked up the fundraising baton at the beginning of 2021. This is reflected in the financial report, there were no new sponsors in 2020 and the income that is under the “Sponsorship” heading was committed already back in 2019.

As of the writing of this report the books have not yet been completed for the first two quarters of 2021. EEF is financially stable, all but a few sponsors have decided to renew their support in 2021, and additional sponsors have joined this year. The membership is growing. In the beginning of September the foundation had \$187,000 cash on hand, and additional sponsorship payments on the way in. In 2020 the foundation sponsored community projects with a total of \$14,200, and so far in 2021 the foundation has committed to spending a total of \$45,500 on the community in the form of project sponsorship and community outreach (see the Chair’s report for more details).

## Taxes 2020

As of the Annual General Meeting (September 9 and 10, 2021) the Erlang Ecosystem Foundation has not yet filed its tax return for 2020. The due date is November 15, 2021 and the foundation will file in time.
