Introduction

In 2021 things finally start to pick up again and fundraising could begin in earnest. The year 2021 the Erlang Ecosystem Foundation had 25 paying sponsors, and together with our paying members it meant that we were able to raise approximately \$143,000. The EEF was also able to put the funds to good use, sponsoring a number of projects benefiting the community, sponsoring student and diversity tickets to conferences as well as continuing to make EEF the meeting point for the growing BEAM community.

A peak into the first three quarters of 2022 reveals that EEF continues to be financially stable. We have seven new sponsors this year, and most existing sponsors have or will renew. And best of all, our membership continues to increase. The EEF have sponsored several new projects, and the goal is to spend more in the community this year than we did in 2021 (the EEF has already committed to sponsoring projects, travels, conferences, in 2022 with \$36,000 which is more than the total spending in 2021).

Taxes 2021 (and 2020)

As of the previous Annual General Meeting (in 2021) we had not yet filed our taxes, so in this report we include a copy of our filing for both tax year 2020 and tax year 2021.
