Introduction

All directors on the Erlang Ecosystem Foundation board, and all members in EEF working groups volunteer their time to make the foundation work. This enables us to make sure we spend the as much of the foundations resources on the community itself.

In 2022 the Erlang Ecosystem Foundation ramped up spending on projects, and approved a total of \$72,350 to fund exciting new projects, diversity conference ticket sponsorship, and other stipends. Unfortunately we could not get all sponsors to renew this year, and as can be seen in this report the net result was negative \$21,880. However the financial health of the foundation is still good, as we had funds saved up from previous years.

As we moved into 2023 we were able to get more sponsors to renew, and membership is growing, the EEF has raised approximately \$97,000 in sponsorship donations and membership dues (as of November 30). As the need to keep better track of spending have increased we have also started to include approved, but yet unpaid, stipends on the balance sheet as liabilities (as can be seen on the 2023 balance sheet (included for reference at the end of this document).

Taxes 2022

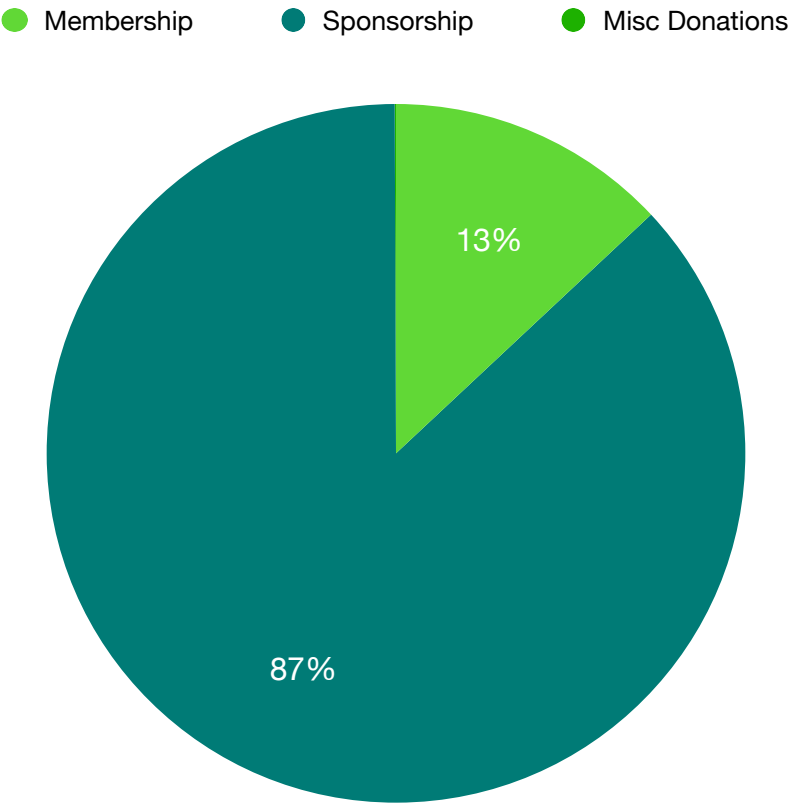

The Erlang Ecosystem Foundation taxes were filed with the IRS on time (on November 13, 2023). EEF also filed form 199 with the California tax board. Included in this document is the first page of the form 990-EZ that was filed with the IRS.
